

Transition Now to the New NSC DDC VA 8-hr 10th Edition

We are proud to launch our new flagship course, the NSC Defensive Driving 10th Edition – Virginia 8-hour program. DDC 10th Edition Virginia 8-hr is a complete rewrite with all new content, videos, and exercises.

The Transition period is March 2, 2020 – June 30, 2020. This is the timeframe where NSC offers many benefits to those making the proactive choice of moving forward immediately with this brand new program. As of July 1, 2020, some of the benefits go away so don't delay – ***Transition Now!***

- **Transition Pricing** – Those choosing to transition now can take advantage of special transition pricing of roughly 50% off Instructor Material costs.
- **Lease Elimination** – Those transitioning early have the added benefit not paying annual lease fees for your current Virginia DDC 8-hr program. When you transition, your lease renewal fee is terminated.
- **All-new Curriculum** – When you're selling your product over the competition in today's competitive marketplace, you can say with confidence that you are offering the most up-to-date product. NSC is the industry leader in driver safety training and our new DDC 10th Edition Virginia 8-hr program supports that and you in the goal to eliminate preventable deaths in our lifetime.
- **FREE Training** – Existing Instructors can take advantage of no-cost training (Retail price is \$800). During the transition period only, existing Virginia DDC 8-hr Instructors can complete our DDC eLearning Units 4 & 5 which offers an Instructor everything they need to know in order to successfully teach the new DDC 10th Edition Virginia 8-hr program.
- **Detailed Webinar** – NSC has built a comprehensive, pre-recorded webinar that walks Instructors and Training Centers through all of the improvements of the new program and covers the need-to-know specifics on how to be successful with the new DDC 10th Edition Virginia 8-hr program. You can visit the webinar as often as you like.

NSC thanks all of our remarkable Instructors and Training Centers for your continued leadership of driver safety programs to your communities. Should you have any questions during this process, please contact your Training Center Coordinator directly or email us at ddc10ed@nsc.org.

Much Success in 2020!
