

## Nominate Your Instructor for the DDC Resilient Instructor Award

### Leadership, Resourcefulness, Resiliency

Do you know a National Safety Council Defensive Driving Courses (DDC) Instructor who demonstrated leadership, was resilient, had a strong ability to adapt and found ways to safely deliver DDC training during the pandemic? Recognize their efforts by nominating them for the DDC Resilient Instructor award.

All nominations will be reviewed by the DDC International Advisory Committee awards team and one instructor will be selected to receive this award.
